

POTENTIAL GROSS INCOME

As a Small Business Owner You Can Set Your Own Fees

The following figures are based on the 'Minimum Fee Schedule':

As a Professional Care Provider within a Family Day Care scheme, the [Child Care Act 2002](#) allows you to care for a total of 7 children:

- ◆ 4 of whom are under school age
(*including* your own under-school aged children)
- ◆ 3 of School Age
(your own school aged children are *not* counted)

Using the 'Minimum Fee Scale,' your **POTENTIAL INCOME** is:

1 CHILD: @ 7am – 5pm Monday - Friday = \$ 220.00 per week

4 CHILDREN: @ 7am – 5pm Monday - Friday = **\$ 880 PER WEEK**

Maximum 4 children = \$ 3,520.00 Per Month
= \$ 42,240.00 Per Year

PLUS + FURTHER POTENTIAL (BEFORE AND AFTER SCHOOL)

1 School Age Child 4 Hours X 5 Days Per Week = \$ 100.00

3 School Age Children 4 HOURS X 5 Days Per Week = \$ 300.00

POTENTIAL MAXIMUM GROSS INCOME: 7 CHILDREN

MAXIMUM 7 CHILDREN **PER WEEK** FULLTIME = **\$ 1,180**

MAXIMUM 7 CHILDREN PER YEAR FULLTIME = \$ 61,360

WITH 4 WEEKS LEAVE (\$56,640)
