

Dear Participant in Redlands Playgroup,

It is with much regret that I advise you that **Redlands Playgroup**, a service of Bayside Family Day Care, **will cease on 5 August 2011.**

We have greatly valued the opportunity to engage with parents and children of the Redlands community through our Playgroup.

However, a review of Bayside Family Day Care services has identified that the resources now used for Redlands Playgroup will be better utilised in providing different services to the families, children and educators of our childcare service.

We plan to continue participating in the life of the Redlands community, not only through our Family Day Care services -- provided by many dedicated early years educators in the Redlands -- but also by sponsoring variety of outings and events that will enhance children's learning and development through play.

Sincerely yours,

A handwritten signature in blue ink that reads "Linda Harnett".
