

**Monday 10<sup>th</sup> & Wednesday 12<sup>th</sup> November 2008**

1. Please Remember - To send any day-to-day interests, events, or conversations that may arise. All Weekly Updates & Extensions are examples of interest based learning.
2. Due to rain ceasing outside play this week, Ramps & Race Cars will still be available outside in sandpit.
3. The Overhead Projector (OHP) will be made available for children to explore 'light & shade' in the cognitive room for another week. **Supervision is essential.**
4. A slide show of last week's activities will be continually running on the computers in the cognitive room. Encourage children to view the pictures and revisit their experiences. Listen to or initiate conversation that will assist in extension ideas.
5. A shop will be set up in home corner to provide next weeks interest based learning activity. Thank you to Natasha for offering a day-to-day interest idea.

#### **Carer/Parent Extensions**

Make a 'Remembrance Day' Bouquet.

Have children bring in a flower or go looking for wild flowers.  
Use tissue paper to wrap around flowers to make a bouquet.  
Find your local Memorial Statue to lay bouquets under.

#### **Literacy & Numeracy Resources**

**'Making Lists is Useful Writing'**

"Heavy and Light are about Mass"
