- 3. Due to popular demand, trowels & buckets of wet sand will continue to be offered in sand pit.**
- 4. Brushes with water will be available for a second week.**

Carer / Parent Extension

Box Race Cars

Find a cardboard box large enough to fit around child's waist. Cut the top and bottom out and allow children to step inside. This will be the body of the race car which can be decorated with name, license plate, steering wheel etc.

Cut two pieces of rope long enough to act like braces over child's shoulders. Punch two holes in each side of box and attach the rope braces. The race care is now ready to take off.
